

A gift for mature women headed towards future beauty
Lislus Beauté

This hair care series pursues not only Aging Care*
—a concern for all women—
but also the beauté (French for “beauty”)
of mature women moving towards the future.

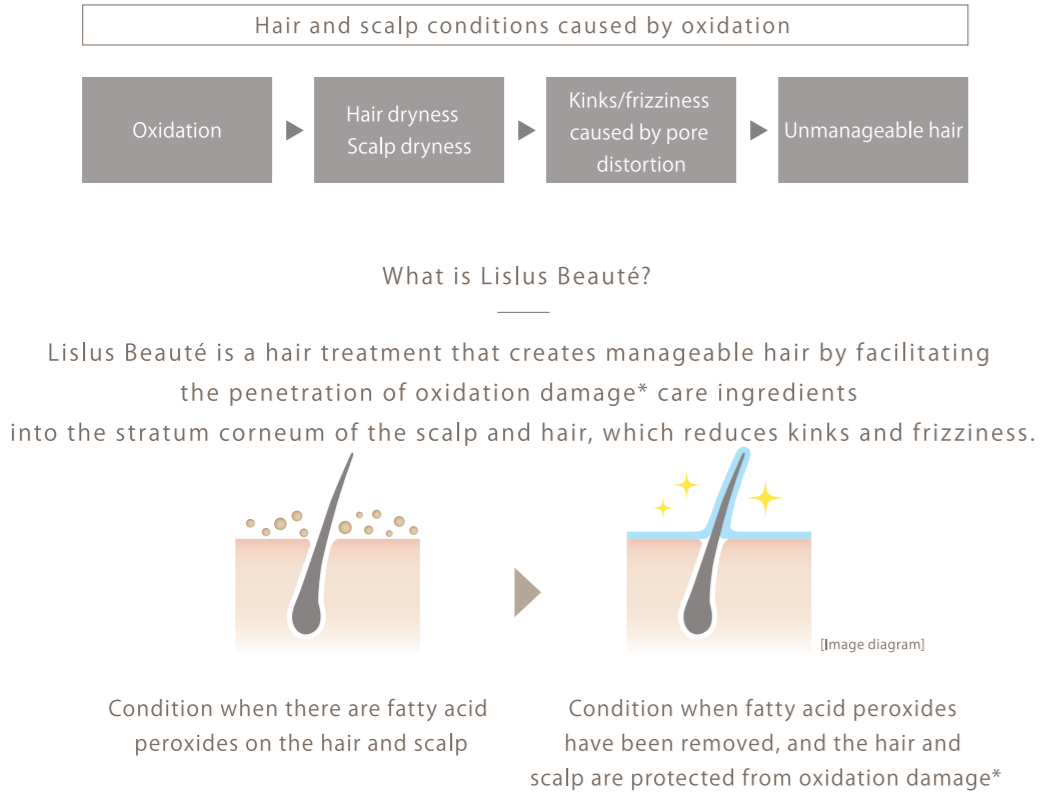

The series provides hair care that can be
continued in order to resolve customers’
current concerns and realize their future beauty.

We support a future in which mature women can proactively shine
*Care tailored to age

quality

For manageable, healthy hair
Systematic treatment focusing on care for oxidation damage*

Oxidation damage* care ingredients
and aroma leading to a positive tomorrow

ingredients

All products contain oxidation damage* care ingredients

Astaxanthin

use or bath time

line up

process

product

Provides total care ranging from hair and scalp cleansing
to nutritional supplementation and repair to create healthy, manageable hair

For both salon and home care

Cleansing
shampoo

Cleansing Shampoo 280mL / 530mL / 900mL

Removes fatty acid peroxides generated by oxidation,
creating an environment that facilitates
the easy penetration of oxidation damage* care ingredients.

[Care ingredients]
● Sodium menthyl cocoyl taurate
Preserves moisture while cleaning the hair and scalp, producing silky smooth hair
● Hydroxypropyl arginine lauryl/myristyl ether HCL
An amino acid-derived conditioning ingredient that produces smooth,
tangle-free hair that you can run your fingers through

[How much to use]
Short/ 2 pushes (6 ml) Medium/ 4 pushes (12 ml) Long/ 6 pushes (18 ml)

Hair pack

Hair pack 200g / 530g / 900g

Smooth

For those whose hair tangles easily and who are concerned about kinks
Moisturizes hair that has been dried out by oxidation, producing a soft,
smooth finish with hair that you can run your fingers through.

[Care ingredients]
● Sunflower seed oil
Balances the hair's moisture with high moisturizing capability,
reducing hair kinks and frizziness.

Moist

For those whose hair easily becomes frizzy and who are concerned about curliness
Moisturizes hair that has been dried out by oxidation,
producing a smooth, manageable finish.

[Care ingredients]
● Sunflower seed oil
Balances the hair's moisture with high moisturizing capability,
reducing hair kinks and dryness.
● Di-PPG-2 myreth-10 adipate
Maintains a feeling of moistness and produces smooth hair
that you can run your fingers through.

[How much to use]
Short/ 2 pushes (6 g) Medium/ 4 pushes (12 g) Long/ 6 pushes (18 g)

Salon care

Head serum

Head serum 180mL

Replenishes care ingredients* that easily penetrate the stratum corneum
of the scalp and adds moisture to the scalp,
which has been dried out by oxidation.

[Care ingredients]*
● PEG/PPG/Polybutylene Glycol-8/5/3 Glycerin
Booster ingredient that increases permeability
● Polyquaternium-61
An ingredient that increases moisture retention

[How much to use]
Short/ 15 ml Medium/ 15 ml Long/ 15 ml

How to use
Take a slice using the nozzle and apply the product
directly to the scalp. Using all of your fingers,
massage the product thoroughly into the entire
scalp using a lifting motion, working from the front
to the back of the head. It is recommended that you
warm the serum using a warmer before use.

[Slice image]

Hair serum

Hair serum 530g / 900g

A cream-type beauty essence that increases the permeability
and adsorptive capability of the treatment.
When applied before a hair pack, increases the effectiveness of the hair pack.

[Care ingredients]
● Arginine
A conditioning ingredient that provides smoothness.
Increases the adsorptive capability of the treatment.
● Polyquaternium-61
An ingredient that increases moisture retention

[How much to use]
Short/ 2 pushes (6 g) Medium/ 4 pushes (12 g) Long/ 6 pushes (18 g)

How to use
Take a suitable amount of the cream in your hand and apply it evenly
over all the hair. After rubbing the cream into the hair,
remove it with your fingers so that no whiteness remains on the hair,
and then apply the hair pack.

Home care

Home care
mask

Home Care Mask 80g

Intensive care that balances hair and scalp care
Facilitates the penetration of oxidation damage* care ingredients
into the stratum corneum of the scalp and hair,
as well as maintains these ingredients.

[Care ingredients]
● Quaternium-87
Produces smooth hair you can run your fingers through.
● Behentrimonium methosulfate
Care for damage by hydrophobing the hair.

[How much to use]
Short/ 6 g Medium/ 12 g Long/ 18 g

How to use
Take a suitable amount of the product in your hand and apply it evenly
over the entire scalp. After massaging the product into the scalp,
rub it into the hair. For those with medium or long hair,
add a suitable amount of the product and apply it to all the hair. Use once a week
for scalp care instead of the hair pack.
